

7ACT SHINJUKU OFFICE

From JR Shinjuku Station - 7 minute walk. Come out of the central west exit of Shinjuku station at street level and turn right. Walk down the hill until you reach a major intersection and cross it. Keep walking straight on the same street until you can see a 7-11 across the street on your left, and Toei Oedo Line Shinjuku Nishi Guchi Station - Exit D5 on your right.

Cross the street so that you are on the same side as the 7-11. On the corner there is a Sukiya (beef bowl restaurant, with a red sign). Turn left at this corner and you will see two smaller roads coming off the main road. Take the left one and we are about 20 metres down on the right on the second floor, above the Iso Maru Suisan (磯丸水産) fish izakaya.
